Good afternoon,

Just wanted to follow up on my request below. I understand that privacy laws related to police personnel will prevent the release of certain details related to Officer Yancey's suspension, internal investigation, and eventual departure from the department, but I'm hoping someone would be willing to provide any information that would be allowed under the circumstances.

If there's someone else to whom I should make this request, or if I need to file a formal FOIL request, please let me know.

Thank you,
Jim Meaney

update on Yancey

Hello,

Could someone please provide an update related to the suspension and internal investigation into former GPD officer Todd Yancey?

In the past few months, Officer Yancey's name was removed from the GPD's online roster, but I haven't heard any other announcements related to the situation.

Thank you,
Jim Meaney
